»Caresser«

Renard the fox is holding a secluded night watch, before making his way on silent paws, through the great oak wood. Quietly following moonlit sprinkled paths, that lead deeper and deeper into a romantic dream world.

The bedside table "Caresser" by the London artist Stuart N.R. Wolfe, combines the formal language of the German and French romantic period with the clear straight aesthetics lines of the Bauhaus.

Material:
Bronze,
Oak

Dimension:
Length: 36 cm
Width: 42 cm
Hight: 54 cm

»CaRESSeR« VARIATIONS

How would **your** “living sculpture” look ?

All constructed architectural bronze furnishing and the bronze figures are exclusive art works, that may be freely combined, according to your personal preference.

You are also welcome to commission an individual object, for example, shelves, chairs, vitrine etc. with a theme of your own liking.

STUART N. R. WOLFE

Stuart N. R. Wolfe born in London.

The artist received international recognition through his installations in the public sphere:

- Am Priesterberg 10, Berlin (Kunst am Bau)
- Pannierstraße 41, Berlin (Kunst am Bau)
- Anhalter Bahnhof – "Figuren gegen das Vergessen", Berlin (Installation)

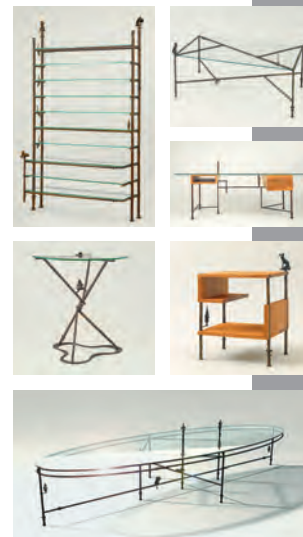

The German AIDS Foundation commissioned him with the composition of the annual "Hans-Peter-Hauschild-award".

His design work is to be seen in the "Museum der Arbeit" in Hamburg.

LIVING SCULPTURES

All "living sculptures" objects are individually drafted and custom made.

The constructed architectural bronze furnishing and the bronze figures are exclusive art work originals, cast at the renowned Hermann Noack foundry in Berlin. The figures may be freely combined, according to your personal preference.
