LIVING ^gSCULPTURE
Limited editions

»colloquy«

Pan was greeted with great pleasure on mount Olympus and all the god's agreed in their delight and contentment with the neu God. Pan – all.

Accompanied by the king and queen of the grass lands, Pan is standing in a lofty sphere, contentedly viewing his surroundings and beyond, into the depths of the oval pond beneath him.

The generously elegant table "Colloquy" by the London artist Stuart N.R. Wolfe, balances tradition and modernity as well as mythology with an aesthetic reality.

Material:
Bronze,
Safety glass

Dimension:
Length: 500 cm
Hight: 78 cm
Width: 150 cm

»colloquy« VARIATIONS

How would **your** "living sculpture" look ?

All constructed architectural bronze furnishing and the bronze figures are exclusive art works, that may be freely combined, according to your personal preference.

You are also welcome to commission an individual object, for example, shelves, chairs, vitrine etc. with a theme of your own liking.

STUART N. R. WOLFE

Stuart N. R. Wolfe born in London.

The artist received international recognition through his installations in the public sphere:

- Am Priesterberg 10, Berlin (Kunst am Bau)
- Pannierstraße 41, Berlin (Kunst am Bau)
- Anhalter Bahnhof – "Figuren gegen das Vergessen", Berlin (Installation)

The German AIDS Foundation commissioned him with the composition of the annual "Hans-Peter-Hauschild-award".

His design work is to be seen in the "Museum der Arbeit" in Hamburg.

LIVING SCULPTURES

All "living sculptures" objects are individually drafted and custom made.

The constructed architectural bronze furnishing and the bronze figures are exclusive art work originals, cast at the renowned Hermann Noack foundry in Berlin. The figures may be freely combined, according to your personal preference.
